Daily Bible Reading Program

Historical Plan

1-Year Plan. Have you ever wondered what it would have been like to read the Old Testament in ancient Israel? Or, the New Testament as the books were written? In this plan, the order of the Old Testament readings is very similar to Israel's Hebrew Bible, progressing from Law to Prophets to Writings. The New Testament ordering is based upon research regarding the order in which the books were authored. Although this research is not conclusive, it may offer helpful insights to your Bible reading.
